

# Make Mine Chocolate!™

Before you bring a pet rabbit into your home at Easter, please consider these facts:

- Rabbits are **NOT** low-maintenance pets! They require as much work as a dog or cat.
- Rabbits can live 8 to 10 years, sometimes longer.
- The necessary spay or neuter can cost \$100 or more, and rabbits require routine veterinary care.
- Rabbits are not cuddly — they can become frightened when held!
- Pet rabbits cannot be set “free” — it’s a death sentence.

This Easter, why not make it a **CHOCOLATE** bunny or a cuddly stuffed toy instead?

Let’s make it a Happy Easter for bunnies, too.

**Help spread the word that rabbits are NOT disposable pets.**
